ABOUT ME

Full-stack and mobile developer experienced in building responsive web apps and cross-platform mobile apps using React.js, React Native, Node.js, and MongoDB. Skilled in REST APIs, authentication, and clean UI design. Focused on delivering real-world, production-ready projects.

SKILLS

Frontend & Mobile: React.js | Next.js | React Native | Expo | Tailwind CSS | NativeWind CSS

Backend & Database: Node.js | Express.js | MongoDB | PostgreSQL | MySQL (Basics) | REST APIs | JWT Auth

Tools & Other: Git & GitHub | UI/UX (Figma) | Problem Solving | Communication | Team Collaboration

PROJECTS

Medsync (Medication Reminder App)

- Built medication reminder app using React Native Expo.
- Designed user-friendly screens for medication scheduling and tracking.
- Implemented reminder and notification flows for scheduled medications.
- Styled UI consistently using NativeWind CSS.

Planit (Productivity App)

- Built a responsive productivity app using React.js and Tailwind CSS for smooth UI across devices.
- Implemented Google Sign-In/Sign-Up flow using Firebase Authentication.
- Added image upload feature using Multer & Cloudinary.
- Secured REST APIs with authentication middleware.

Paydrift (Expense Splitter - In Progress)

- Building a mobile app to split group expenses.
- Developing clean screens for adding expenses and managing groups.
- Managing scalable state for expense data flow.
- Built using React Native, Expo, and NativeWind.

Spendly (Income/Expense Tracker)

- Designed a responsive income and expense tracker using React and Tailwind CSS.
- Built reusable UI components for tracking transactions.
- Built JWT-based authentication for user accounts.
- Integrated MongoDB Atlas for data storage.

CERTIFICATIONS

Software Development Course - React Native (By Digital Pathshala) (1 month online course)

[View Certificate](https://rajan-khadka.com.np/rn_certificate.pdf) (https://rajan-khadka.com.np/rn_certificate.pdf)

Cybersecurity Workshop (By DanpheLink & CryptoGen Nepal) (1 week online workshop)

[View Certificate](https://rajan-khadka.com.np/cs_certificate.pdf) (https://rajan-khadka.com.np/cs_certificate.pdf)

EDUCATION

Bachelor in Computer Application (BCA) 2020-2025

ADDITIONAL EXPERIENCES

UI/UX Intern

aNepali - Platform for Designers

- Designed responsive and reusable UI components for web and mobile platforms.
- Collaborated with developers to implement clean, user-friendly interfaces.
- Created wireframes and prototypes in Figma aligned with client requirements.
